GENERAL INFORMATION

Planning data	Files for architects and planners available on request.
Tender documents	Please send us an email or give us a call, and we will promptly send you the requested texts about our products.
Certificates	Birch plywood from sustainable cultivation PEFC Certificate No. INS-PEFC-COC-212560 and FSC Certificate INS-COC-100101/INS-CW-100101
Sustainability	All components of an ANY board can be recycled according to their type at the end of their life cycle. In line with the circular economy, we have avoided the use of adhesives in the assembly process.
Notice of use	The ANY Board is designed to withstand high pressure loads during use. Important! Please note that the ANY Board is not suitable for use as a seat when used in the ANY Tree, the ANY Tree Wall and the ANY Wall Rail.
Terms of use Surface	Only use suitable high-quality board markers (dry or liquid). Other water-proof (permanent) pens are not suitable for the whiteboard surface. The ANYBoard whiteboard surface is not magnetic.
Cleaning & Care	Whiteboard-surfaces  Plastic surfaces 

Dimensions may vary due to material and production tolerances.
Subject to technical changes, errors and colour variations.

WE LOOK FORWARD TO SEEING YOU

	Flötotto Einrichtungssysteme GmbH An der Manufaktur 4 33334 Gütersloh Germany
Consultancy	FLÖTOTTO is a key development partner for school authorities, architects, ministries and is in daily close contact with the teachers responsible in the respective schools. Together, we create flexible, age-appropriate educational spaces for intensive interaction between learners and teachers. The living and learning spaces we develop improve learning outcomes and, together with the architecture, ideally also have a positive impact on the immediate vicinity of the school location. We remain your first point of contact until the project is completed and even years afterwards. Get in touch with us, we will be happy to advise you!
