Consulting

FLÖTOTTO is a relevant development partner for school authorities, architects, ministries and is in daily contact with the responsible teachers in the respective schools. Together, we flexible, age-appropriate educational spaces for intensive interaction between students and teachers. The living and learning spaces we design improve learning success and, together with the architecture, also have a positive on the surrounding area of the school site. We remain your first point of contact until the project is completed and for years afterwards.
Talk to us, we will be happy to advise you!
