## Glides/Castors

Table legs with 2 x universal glides with height adjustment and 2 x large, soft double castors with locking function, for hard floors.

A Universal plastic glider  
B Soft roller with locking function

## Table height

Size 2 – 53 cm  
Size 3 – 59 cm  
Size 4 – 64 cm  
Size 5 – 71 cm  
Size 6 – 76 cm  
Size 7 – 82 cm

accordingly DIN EN 1729

## Measurements in cm

W/D

## Line-up Ø300 cm

## Space between table legs

60 cm Seating area

## Optional accessories

Material box, wire basket, bag hook, chair hook, FLEX communication light, FLEX stand absorber

| Consultancy                                  | <p>FLÖTOTTO is a key development partner for school authorities, architects, ministries and is in daily close contact with the teachers responsible in the respective schools. Together, we create flexible, age-appropriate educational spaces for intensive interaction between learners and teachers. The living and learning spaces we develop improve learning outcomes and, together with the architecture, ideally also have a positive impact on the immediate vicinity of the school location.</p> <p>We remain your first point of contact until the project is completed and even years afterwards.</p> <p>Get in touch with us, we will be happy to advise you!</p> |
